SUPPLEMENT TO REPORT NO.

An individual, identified as a Professor M. C. Garevich, spoke before a group of Soviet citizens at the Tientsin Soviet Clab on 16 or 17 March 1948. Gurevich is described as a resident of Pelping, a specialist in Political Economy, and is said currently to be considering acceptance of a post at a Chinese university.

note: ? Professor N. S. Goursvich. 25X1A

and 6./

25X1A

Gurevich stated unequivocally that war between the United States and the Soviet Union is "a certainty". He informed his audience that, as Soviet citizens in North China, it would be their duty in such a situation to act as "troops behind the lines in espionage and sabotage".
